KENTUCKY REPUBLICAN PLATFORM.

Adopted by the State Convention at Louisville, Thursday, May 17, 1900.

Important as are these questions of National policy, the Republican party in Kentucky is compelled to subordinate them to the more immediate and solemn duty of restoring the right of suffrage to the people of this commonwealth. It unreservedly dedicates its organization and the undivided effort of its members to the achievement of this paramount cause of civil liberty and in the co-operation of the right-thinking and liberty-loving citizens of all parties.

We demand the unconditional repeal of the existing election law, under the operation of which the people have been denied the right to vote and whose counties have been disfranchised by authority of which certificates of election have been issued to men defeated at the polls and who have been the cause of a disastrous result of which the government of the state is now involved in hopeless confusion and chaos. We demand the prompt enactment in place of this revolutionary statute an election law that shall absolutely secure to every voter the free exercise of the right of suffrage, and that shall guarantee the restoration and permanence of government by the people.

We denounce the course of the Democratic majority in this commonwealth, who have been the cause of a disastrous result of which the government of the state is now involved in hopeless confusion and chaos. We demand the prompt enactment in place of this revolutionary statute an election law that shall absolutely secure to every voter the free exercise of the right of suffrage, and that shall guarantee the restoration and permanence of government by the people.

Mr. Harrison Poe died Wednesday night at his home near Murphysville.

Mrs. Mary Hutton Hurd, born in Nicholas county March 7, 1813, died near Manchester Sunday.

Don't despair because you have a weak constitution. The vitality of the human body will be assuredly strengthened if, in every drop of Herbin's Kidney Pills, there is a stimulating, regenerating power, unexcelled in the medical world.

Mrs. Sallie Babin, who recently underwent a delicate surgical operation at Cincinnati, is steadily improving.

Science has found that rheumatism is caused by uric acid in the blood. This acid is excreted by the kidneys. Herbin's Kidney Pills makes them well.

The Dr. Basil C. Duke Chapter, U. D. C., will meet Monday at 10 a. m. with Mrs. Lucy Keith, 110 West Front street.

Unable to Work. Chas. Replage of Atwater, O., was unable to work on account of kidney trouble. After using Polya's Kidney Cure four days he was enabled to resume his work.

Judge C. D. Newell is moving from East Fourth street to the residence on West Third last evening by Mr. James E. Threlkeld.

Cecilets should always carry a bottle of Herbin's Kidney Pills in their pocket. If applied immediately, it will subdue the inflammation, soothe the irritation, and quickly heal the wounds.

The meeting of the State League of German (German) Benevolent Societies, which was held at the Hotel Lexington on May 27 and 28, has been declared off by the officers of the league.

The Most Stubborn Coughs Resulting from an attack of laryngitis or bronchitis, which is often accompanied by hoarseness, can be cured by Polya's Kidney Pills.

Miss Mattie Bedford and Mr. Joe Jones will marry Wednesday next at the bride's home at Winchester. Miss Bedford has many friends here, having visited the Misses Martin of Forest avenue.

Piles are not only most painful, but also very dangerous, as the inflamed nodules are very apt to become malignant, and cancer of the rectum is produced. The use of Polya's Kidney Pills will cure the most obstinate cases.

The Kentucky Telephone Association will hold its first meeting in Winchester, June 7th. It is the intention to discuss the various important telephone companies into an association upon a systematic basis.

Children who are weak, fretful or troubled with indigestion, should be given Polya's Kidney Pills. They will be very beneficial to the system, and have no checks, bright eyes, and a healthy complexion.

I had a bad running sore on my breast for several years, says H. H. H. of Winchester, N. Y., "and tried a great many remedies, but they all failed. After using Polya's Kidney Pills, the sore cured, and I feel much better."

THE COMMONWEALTH. COMMITTEE ORGANIZED.

The New Republican State Central Committee has a Harmonious Meeting in Louisville.

Louisville, Ky., May 19.—The new republican state central committee met at the Willard hotel to organize for the coming year. Eight of the committee members were present in person, and Committeeman Liebert was represented by Postmaster Baker, who was not eligible to succeed himself because he has accepted an appointment in the army, called the meeting to order.

Postmaster Baker nominated C. M. Barnett, of Ohio county, for reelection, and he was chosen unanimously. R. L. Gwathmey was elected secretary without opposition. Judge Tinsley, of Harboursville, was elected vice president, between Mrs. W. S. Taylor proposed Col. James Buckner, Jr., of Louisville, for reelection as treasurer, and there was no opposition. The treasurer is not necessarily a member of the committee.

Maj. A. T. Wood suggested that the Kenton county contest be brought up, but the party law was quoted to show that the contest must first go before the district chairman in the form of a petition, and that either party, if not satisfied, would have the right of appeal to the state central committee.

Richard P. Ernst and C. F. Stricker, representing both factions, were called before the committee and so advised. Mr. Ernst said that his committee was eager for harmony, and that in representing both factions he was willing to compromise and give the other committee a one-half vote in all proceedings, the two committees to come together and represent the whole county.

He said that this proposition had been formally made and rejected. Mr. Stricker said that talk of a compromise was useless. He said the republicans were stirred up over the matter and would not listen to a compromise, but that he was willing for the state central committee to decide.

The case will probably go before that body at an early date.

MEETING OF IMPORTANCE.

Democratic State Central Committee May Take Session at the Governor's Office.

Frankfort, Ky., May 19.—The meeting of the Democratic state central committee here next Thursday promises to be one of considerable importance, because by that time the republicans will have passed the gubernatorial contest, and if the democrats win, the committee will likely take some action regarding the case of the party going before that body at an early date.

Of course, the prime object of the committee meeting is to fix the time and place for the convention to send delegates to Kansas City, but the other matter can be easily brought up and disposed of, and the same convention that selects the Kansas City delegates could also name a candidate for governor.
